### ams OSRAM

- **Lighting - LED, LED Modules, Lasers & VCSEL**
  - Illumination, architectural, horticultural, automotive, UV-C, IR
- **Sensors**
  - Bio - vital signs, HRM, SpO2, temperature
  - CMOS image sensors
  - Light - ALS, color, spectral & proximity
  - Position & time of flight

### Apacer

- **Industrial Grade memory (NAND Flash & DRAM)**
- **NAND Flash - SLC, MLC, 3D, TLC**
  - uSD, SD, CF & SSD
- **DRAM - DDR DIMM modules**
- **Options for extended temp. (-40°C to 85°C), conformal coating & additional features**

### Asus IoT

- **Intelligent Edge & AI solutions**
- **Embedded computing hardware - industry standard form factors**

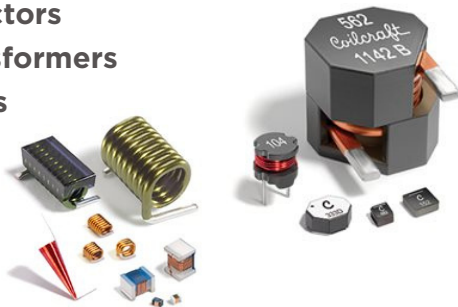

### Coherent

- **Optical Transceivers**
  - Data rates up to 800Gb/s
  - Numerous distances & form factors
- **Optical Instrumentation/Test & Measurement equipment**
- **Lasers & 3D Sensing**

### Coilcraft

- **Power Inductors**
- **Power Transformers**
- **RF Inductors**
- **EMI Chokes**

### Delta RF

- **Precision RF Interconnects**
  - Adapters & Mounts
  - MIL-Spec options
- **Cable Assembly**

### E-T-A

- **Circuit Breakers**
- **Power protection & distribution systems**
  - Intelligent Power distribution systems
  - Power entry modules
- **Relays & Solid State power controllers**

### Flex Power Modules

- **DC/DC power converters**
  - Isolated & Non-Isolated
  - Ideal for Datacom & Telecom, Industrial, and Transportation

## GSI Technology

- SRAM and LLDRAMs - High Density & High Performance
- Rad-Tol & Rad-Hard available in select options

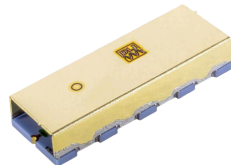

## Jaro Thermal

- Fans & Blowers
  - AC or DC
  - Available in a variety of sizes
- Heatsinks & Coolers
  - Extruded, stamped, board level
  - Heatsinks for LEDs
- Thermoelectric Coolers & Generators

## Knowles P.D

- RF Filters
- Resonators
- Power Dividers
- Build to Print
- Single Layer Capacitors
- Broadband Blocks & Submounts

## Powerland

- LED Drivers
  - CC & CV, 20W up to 800W
  - Dimming options (PWM, DALI)
- AC/DC Battery Chargers
- DC/DC Converters

## Qorvo

- RF & Microwave ICs - PA, LNA, Filters, Duplexers, Antenna Switches, SATCOM
- Integrated Products - Wi-Fi FEM, UWB chipsets & Spatium
- Power: PMIC, Battery Management Solutions & Motor Controllers

## Sensitron

- (SiC) Schottky Diodes (up to 2.5kV)
- (SiC) MOSFETs (up to 1.2kV)
- Power distribution controllers, Solid state relays
- High reliability; screening, MIL-PRF/QPL
- IGBT/Thyristors
- Rad-Tol DC load switches

## Test & Measurement

- BERTs, Loopbacks, Sampling Scope
- WaveShapers & WaveAnalyzers
- DUT Thermal validation

## ZF

- Switches - automotive, pushbutton, rocker & snap action
- Sensors - angle position, speed & magnetic proximity
